

# Call for Submissions:

# DESIGNING

# the FUTURE

BLDG  
92

BROOKLYN  
NAVY YARD  
CENTER

**To Apply:** Individual applicants must complete the application form and provide supporting materials to their professor or department head. We will accept applications only through faculty nomination. We must receive applications with the subject line "Designing the Future 2014 Submission" via email ([designingfuture@bldg92.org](mailto:designingfuture@bldg92.org)) no later than **04/01/2014**

Please Provide the following as one PDF file, in this order:

1. **Completed application form.**
2. **Concept Overview** (500 words. What was your inspiration? What makes the design unique? What innovative technologies did you use? Identify the applications/relevance of your design or product as related to the industry sector(s) outlined in the call for submissions. Identify the target audience.)
3. **Photos (5) of the prototype/product, object dimensions & materials.**

CHECK HERE IF COMPLETE:
