Department of Records Management and Archives

Thank you for your interest in the Brooklyn Navy Yard.

The BNYDC Archives' digital collections are made available to researchers at the museum's reference center, located on the second floor of the Navy Center @ BLDG 92. There you will find our *Collections* database containing more than 7,000 photographs, artifacts and ephemera items related to the Brooklyn Navy Yard; genealogical resources; and the full run of the Navy Yard's newspaper, the *Shipworker*, which was published from 1941 to 1966. You may visit the reference center during the museum's normal operating hours. No appointment is required. Visitor Services Staff can offer limited research support.

For more exhaustive scholarship, additional materials in the BNYDC Archives are made available. For this service we ask that you fill out the attached *Research Request Form*. We will review your request to determine if our holdings meet your needs, and arrange for a time when our staff can be made available to help you. Please note, due to the high volume of requests we cannot guarantee an immediate response.

Please E-mail your completed *Research Request Form* to the [Archivist](#) or send it to the BNYDC Archives at the address listed below.

Sincerely,

BNYDC Archives
